45'

*Armed with 30 years' experience, the Outremer Yachting yard is taking up the challenge and launching the new Outremer 45. A little sister to the Outremer 51 and 5X, she shares their core values: seaworthiness, high performance, manoeuvrability and a very eye-catching, sensitive design. She has been designed for oceanic passages by a couple or a family. The design team combines the Barreau-Neuman naval architecture firm, Frank Darnet Design for the interior and Patrick le Quement's touch in harmonising the concept. Her intelligent interpretation will simplify life aboard:*

## Pleasure

- **2 (optional) tillers** for even greater enjoyment on the water
- **A wide, uncluttered cockpit** to fully benefit from activities on deck
- The **360 Vision concept** that is fundamental to Outremer Yachting: the saloon, cockpit and cabins enjoy an exceptional view across the sea and your environment

360 vision

## Performance

- **Efficiency of the hull** below the waterline and optimised structure
- Enhanced weight optimisation and distribution
- **Move backward mast** for greater performance and improved sail handling

efficiency

# quality

## Great comfort

- A **comfortable, refined saloon** to accommodate your friends
- An **ergonomic galley** facing the cockpit to enhance connectivity
- A **forward-facing navigation station** to enable more effective watch-keeping
- Maximised interior and exterior **storage space** for victuals, on-board entertainment and sports equipment during your stopovers
- A high quality level of **finish**

# protection

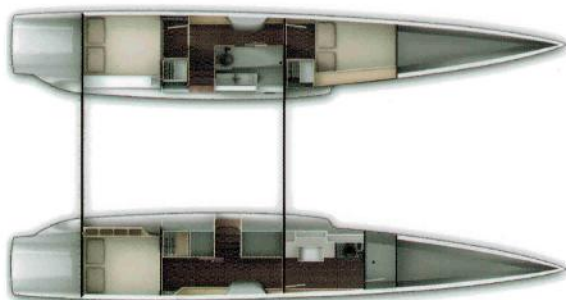

## Safety

- **Substantial bridge** deck clearance (0,8m)
- **Daggerboards** for improved windward sailing efficiency
- Ideally positioned helm station with mainsail and headsail sheets within easy reach **for safe and protected manoeuvres even in bad weather**
